Hello Mayor Young, Council Members, and Staff,

Today the Pride Flag was raised over Benicia's City Hall in Celebration of LGBTQ Pride Month. It was a beautiful ceremony with a nice turnout from the community.

I'd like to thank the Council for supporting this important event. Thomas Bilbo, Chairman of the Board of Directors for the Solano Pride Center, donated the new inclusive flag. It's wonderful to see such diversity on display in our city.

Thank you to all who participated.
